Dear Hazel & Pat

I enjoyed the day that was spent with you two — Pat, all those plants that we dug up in your yard seemed to survive the transplanting. Our daughter was happy to have them. Neither of us had had time to do any of the reading — Baby sitting 3 kids in diapers were out — The week end of June 4th to 7th, Bob & Jane, the 3 children & Jim & I spent a 4 day week end at Niagara Falls — Even though it rained part of the time we enjoyed the scenery through Northern Maryland, Pennsylvania & New York — We stayed on the Canadian side (it's cheaper) — but we spent time on both the Canadian & U.S. side —

We enjoyed the trip —
Glad so much to see
to the USA — & can
understand why
anyone would ever
want to go to Europe —
God's us are glad
that we met you —
and we enjoyed the
day —

Sincerely,
Jim & Naomi
Lowell
